

Committee of Seventy Voting and Election Resources and Information

All members of Hapco are welcome to join the Committee of Seventy's (C70) [WeVote Program](#) — an opportunity to drive voter participation and civic engagement, and provide information to ensure every eligible individual is prepared to vote in November's election and for years to come.

As a nonpartisan, nonprofit organization that has promoted, supported and facilitated government ethics and election integrity for more than a century, C70 resources and educational programs support the diverse needs of real estate companies.

C70 can help you reach your audiences in whatever way works best for your organization with nonpartisan resources and communications. WeVote includes the following opportunities, and you can choose one or more ways to get involved.

- **WeVote Email Updates and Communications Toolkit:** Join the WeVote email list and you will receive regular updates about the upcoming election (who is on the ballot, what issues are at play), poll worker information, registration deadlines, voter guides and resources, voting rights, and reminders, and much more. You can re-share this information with your audiences in whatever way works best for you, or you can follow our comprehensive communications toolkit and timeline.
- **Resources and Flyers:** WeVote offers up-to-date [Voter Guides](#), resources on [How Philly Works](#), important deadline flyers, poll worker information, and more. Some materials are offered in English, Spanish, and Chinese.
- **Attend Your Events or Visit Your Office:** C70 staff can join your team this summer or fall and share information about voting and elections, the role of poll workers and how to become one, how government works for you, and more.
- **Trainings or Train-the-Trainer Programs:** C70's Program Director can provide specific trainings on site or via Zoom to support your constituency's needs, or train your staff to be able to re-share this important information directly. We're happy to customize a presentation to best support your audiences.

Join more than 180 companies and organizations working to create a culture of civic engagement. To become a WeVote partner or learn more, please email Michelle Sonsino, Program Manager, at msonsino@seventy.org.
